

Traffic circle in Liberty to 'open' July 16

LIBERTY — The Liberty Community Development Corporation is inviting the public to attend the formal completion of the traffic circle beautification at the Mill Street intersection of Routes 52 and 55 on Thursday,

July 16, beginning at 10:30 a.m. The occasion will be marked by unveiling the "Welcome to Liberty" sign and raising the U.S. flag and flags representing the branches of the U.S. Armed Forces.

The project was funded through the Sullivan County Legislature's Beautification Initiative Grant (BIG). Patrick Kelly of Kelly Masonry & Design in Liberty provided the project design and generously donated his skills and expertise to build the 'Welcome' sign. The other elements of the project design were made possible through the engagement and donations from local businesses DJM Dealers, Phoenix Enterprises, Werlau Enterprises, Catskill Harvest Market, Ashlee Green, and Hofer Log & Lumber. Additional support and assistance was provided by the Village of Liberty Department of Public Works and the Town of Liberty Highway Department.

The Rt. 52/55 traffic circle is the final element of the Mill Street Gateway BIG program. Over the course of 3 years, the Liberty CDC, through its Public Spaces Committee and in collaboration with more than 25 local businesses, improved the appearance of this major access route into the historic district of Liberty.

BRIEFS

Liberty Class of '69 to hold reunion Aug. 7-9
